Just leave the name blank for the EPA QAPP reviewer. We have a couple different reviewers and I'm not sure who will be assigned to review this one. Also, typically the state is not included on the signature page for a QAPP. It is shared with them for review, but they don't sign the document if it goes through EPA QA review.

Hi Tonya,

I'm finalizing the Huster QAPP and wanted to verify details of the signature page that I will circulate to LEA and Barb before submitting to you.

Who is the USEPA Region 7 Regional Quality Assurance Manager?

Thank you in advance!
