Hi Craig,

Thanks for the reminder. To help facilitate the meeting, it would help to have some strategy on how the water collection would be done. I understand you have some experience in this. I have some MI funds that maybe used for this work, I am awaiting approval from EPA. Would you take on this work if funded? We can discuss this tomorrow.

Watson

Hi,
This is to remind you that we are hosting a meeting called by Watson Okubo to discuss field sampling and sample analyses in association to the proposed Lahaina Tracer Tracer Study. The meeting will be held at UH in POST 802 this Thursday 2/24 at 10AM.

Hope to see you there.

Craig
