Subject: RE: call tomorrow

Hi Carolyn – got your voicemail, will try to call you before the 3 pm call. I was in Denver yesterday, arrived home at 2 am this morning, and we are having VI issues on another one of my sites, so that is taking much of my time today. Eva

Subject: call tomorrow

My branch chief, Angeles Herrera and attorney will be joining us for the ST12 call tomorrow, along with Rosemarie Caraway, RPM for Pemaco, and Karla Braesemele of Techlaw will be participating by phone. We are still discussing appropriate response, to the but Angeles needs to understand the technical issues in a nontechnical format tomorrow in order to elevate these concerns. She was the former Community Involvement Coordinator on Pemaco so she has some familiarity with thermal, but with so many issues at ST12 can be confusing and she needs clarity, so when you ask questions tomorrow, use plain language, like you were talking to your mom.
