We label everything as Enforcement Confidential because even if it's isn't a case now, it may lead to one. It makes it easier because this way all of our TDs are enforcement confidential and we don't have to sort each one when we receive a FOIA.

Hi Kelly,

The PR for our new TD should be approved in R9 today or tomorrow. Attached is the final TD. Our attorney also had a question about the TD being labeled "Enforcement Confidential" since we aren't in an enforcement case as of this time. He asked if we could change it to "Deliberative." Please let us know if that's ok or if all the TDs for the OECA contract need to be labeled "Enforcement Confidential."

Please let me know if you need anything else.

Thanks,
Melissa

Hi, Jeff.
I have just completed another PR in EAS for the Cargill project for Melissa, Rob, et al. The additional funds added from Wetlands Regulatory Office EPM account is $30,000, for a new total of $50,000.
After Jason has approved, the other folks in the routing chain include:
Kelly Brantner ("Reader")
Rose Green is also the Project Officer
Michael Gillam is the Contract Officer
Thank you for your assistance with this.
Best regards,
Allan
