Yes, she said she will send you additional information. Hopefully we will have something by tomorrow, so I can send out the SCOUT with the updated information.

Hi Sue,

Yes, it sounds like this will need to be revised. It sounds like the new letter is going to need to be signed by the ARA. I'll let you know when I have more information from LaGayla.

Hi Sue,

Phil asked that I complete a SCOUT entry for the FOIA request we are responding to. The deadline associated with the FOIA is today, 10/13/16.

Thanks,
Karen

Action Title: Freedom of Information Request pertaining to Petition for Rulemaking on behalf of Ouachita River Keeper, Inc.

Action Summary: Region06/ OW Type: Regulation

Milestone/Milestone Description: DD Signature

EPA has completed its review of files for a Freedom of Information Request brought by Brooks Smith of Troutman Sanders LLP. This request asked for all records that contain Petition for Rulemaking on behalf of Ouachita Riverkeeper, Inc., dated September 10, 2015 and associated comments that were submitted on November 18, 2015. EPA found that all records were deliberative and not responsive.
