Good Morning Lenny,
I wanted to follow up with you on the questions regarding the listed hazardous waste at the Chevron/Buckeye facility. The facility reached out to see if we had a response so I was just wondering if you had any thoughts on it.

Thanks,
Ricky Vargas

Subject: Questions on Listed Hazardous Waste

Good Morning Lenny,
I received a set of questions from one of my RCRA facilities, Chevron/Buckeye Perth Amboy, regarding listed wasted at the onsite CAMU and at the North Field Basin. I was wondering if you can take a look at the questions and provide me with some feedback. Let me know if you need any background info. but most of the prepared questions contain some information.

Much Appreciated!
