Hi Sheila,

I wanted to check in with you. Is Richard's phone ready to go for his trip to Japan tomorrow or does he need to do anything?

Thanks!

Subject: Roaming service for Dr. Richard Yamada's existing EPA mobile phone

Kevin,
Sheila Davis, your Working Capital Fund manager, has ordered that the international roaming service be added to Dr. Yamada's current EPA mobile phone, for use during his trip to Japan. He will receive an email from OEI's MDSupport letting him know that the roaming service has been applied. Please let me know if there are any further questions.

Thanks,
Pat Burke
