Hi Debbie,

I hope your meetings in Hawaii are going well.

We have a call scheduled with you for tomorrow (1PM Pacific time, I think maybe 10 AM Hawaii time?) to brief you on NGS. Should we call your cell phone number? I don't have it, but I assume Colleen will have it.

As you know, we're briefing Jared on Monday morning (9:30-10 AM) and Janet on Wednesday morning (8 to 8:45 AM).

[redacted]

Thanks and talk to you tomorrow,

Redaction: Interagency deliberative process

Anita
