Hi Colleen and Ann,

I figured we ought to have a draft briefing paper for our HQ briefing next Thurs (2/6) to show Debbie when we meet with her this Thurs (1/30). Presumably, Jared will want to meet before we talk with HQ?

Anyway, I am attaching a draft paper for HQ that summarizes the most substantive comments and makes recommendations. I am also attaching another document that has more comments [redacted]

Please let me know if you think we should delete or add additional comments/issues to raise for HQ.

[redacted]

Thanks!
Anita
