We don't have anything with Debbie scheduled yet, but just wanted to make sure I captured our conversation last week with Tamara and Lea.

[redacted]

I did not include Tamara and Lea on this email because I didn't want them to feel compelled to review this at this point, but I can send it to them if you think we should. Please let me know if you have revisions, or if you think we should run it by Tamara and Lea.

Thanks!
Anita
