---

Hi all (and welcome back Colleen!),

Redaction: Ex 5 Interagency Deliberative

Attached is a draft briefing paper that summarizes the results of the various analyses we discussed during our previous Janet briefing. [redacted]

I've scheduled a meeting for tomorrow at 10AM (Pacific) to discuss this. Ann, Scott, and I will be in a room on the 16th floor (1601). Here is the call in number: [redacted]

Redacted: not responsive; PII

I forgot to check Martha and Phil's schedules when I originally scheduled this meeting (sorry!). I assume Martha and Phil won't be able to make it (you both already look booked) so please let me know if you have any questions or want to chat separately. Tamara and Lea, I forgot to check with you guys in advance too, but I think you both may be able to make it (thanks, and sorry!).

We are briefing Debbie at 1PM on Friday. Jared on Monday at 9:30AM. Janet at 8AM on Wednesday (3/26).

The briefing paper also includes a draft schedule that we can also discuss tomorrow.

Thanks and I hope you are all doing well,

Anita
