Hi Valerie,
Thanks for assigning Bonnie to be involved in the EPCRA matter as well. I had intended to reach out to you on this separately and was just trying to provide a quick response yesterday to Om's question about who the attorney is for the existing CAA case. Sorry if I created any confusion.
Jason

This is for an EPCRA reporting violation at 3V related to a release of methylene chloride. Do you want me to handle this administrative case? If not, I would still like to be kept in the loop on this matter.

Hi Sydnee,

Just checking if you already have an EPA attorney assigned for the 3V Sigma matter.

Thanks,
