Hi Andrea,

I am attaching seven briefing papers for Janet. There are five on our regulatory work with the State and the Navajo Nation and two on 111-d.

As I mentioned on the phone, Colleen will meet Janet at her hotel and accompany her to the conference. When you send us the itinerary, please include a conference contact name, so we can make sure the logistics for Colleen are all take care of. Colleen will also accompany Janet to the meeting with the Mayor of Mesa if that gets scheduled.

If there is anything else you need, please let us know. Thank you for all the coordination.

Thanks,

- - Niloufar
