Robert,

I enjoyed meeting with you yesterday. We are working on getting the further information you requested. Please call if you have any requests or questions.

I talked to Lynn this morning, and I think we'd both like to come out tour your plant. We'll coordinate and figure out a time to do that.

Have a great weekend,

Joseph

Joseph,

Thank you for lunch today. It was a pleasure to meet with you and very informative also. I have a better grasp on the interstate gas network and how it would pertain to Bonanza.

Let me know if you and/or Lynn would like a tour of the Bonanza Power Plant.

Regards,

Robert Strole
