Freedom of Information Act Request # EPA-R3-2013-005899

Dear Ms. Alcantara:

In response to the above-referenced Freedom of Information Act (FOIA) request, dated April 29, 2013, and received on April 29, 2013, please be advised that the Resource Conservation and Recovery Act (RCRA) Program, the Toxics Programs Branch and the Pesticides/Asbestos Programs Branch, Land and Chemicals Division, processed your request and found no responsive information.

We are only able to do an in-depth search on the locations with street addresses. The only search criteria used for locations without a street address is the zip code. County Parcel Identification Numbers, alone, are insufficient for us to do a more specific search.

You may appeal this response to the National Freedom of Information Officer, U.S. EPA, Records, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, NW (2822T), Washington, DC 20460, Fax: (202) 566-2147, E-mail: hq.foia@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20004. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the FOI listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Report Description

This report presents available information from the Resource Conservation and Recovery Act Information System (RCRAInfo) about compliance evaluations, violations, and enforcement actions meeting the criteria supplied by the user.
