Hi Angeles – good talking to you today. I tried to reach Mark Correll by phone, but didn't connect with him today. I forwarded the letter you and Arizona sent to AF and will try again to talk to him tomorrow about the issues. Charlotte

Charlotte and Richard,

As you know, R9 has been communicating with your staff regarding this issue with the AF on the former Williams AFB, site ST012. We are glad that you have been informed on the issue. Right now, I am working on it at my level and hope to resolve it with your continuing support. To that end, I am forwarding the attached letter we sent the AF today. Please let me know if you need any additional info.

Regards,

Angeles
