I just heard that the draft risk evaluation is being PDFed, so we're only waiting for OPA now.

Hopefully soon. Plus Julia and Allison in case they have updates. You'll need to let Don know when to take the password off Eventbrite.

I'm technically off tomorrow but will try to see this through to the finish. Julia Ortiz in OPPT is taking care of the web. Don – I'll just need you to remove the password from the Eventbrite once I give you the ok. Stay tuned for more details. Thanks.
