Ricardito,

Chevron is taking longer than I expected. I'll try to finish it next week. Calculation no big deal, but there are over 50 facilities in the Financial Test calculation.

Ricardito,

I was hoping to finish a data clean-up, but I dropped that and started looking at Chevron. Should be done with Chevron tomorrow if there are no hick-ups. I hadn't reviewed Chevron Perth Amboy New Jersey before.

Hey Norm,
Hope everything is well! Just wanted to get an ETA on the Chevron financial assurance package. No pressure, just wanted to know as an FYI.

Hey Norm,
Hope your doing well!

I received another financial assurance package, this time from Chevron. If you can review this package whenever you get a chance, it would be greatly appreciated.

Thanks!
