Yakama's contractor has done a substantial file review and has begun drafting a summary report/CSM. We'd like to pick your brains on key information sets, data gaps, and concerns. We'd also like to hear your ideas on helpful evaluations that would support and inform work moving forward at Bradford. Thanks in advance for your time. Feel free to send any key references or info our way in advance. –Laura Shira

Sean Sheldrake agreed to set up a teams link so that we could share screens if needed. Thanks, Sean! -Laura
