Thank you Yen-Vy.

Everything looks good here and I have no comments. You can change the title of this document to reflect it final status. As I look through the schedule in the AOC, Section 2.7 indicates the next deliverable is the Draft CAP scheduled for submittal in 35 days. Please let me know if you have any questions.

Hi Rob

Please find attached for your review a copy the *DRAFT May 2011 Quarterly Groundwater Report* for the former Smitty Conoco #140 facility located in Toppenish, WA. If necessary, I can also mail a hard copy or wait until this report

has been finalized (upon receipt of edits/comments from you) before doing so.

Have a good July 4th weekend.

Sincerely,
Yen-Vy
