Dear Chairman Shingoitewa:

Indian Health Service (IHS) Project PH 12-E73 was approved to partially fund Phase 1 of the Hopi Arsenic Mitigation Project (HAMP) on the Hopi Indian Reservation. Project funding totaling $900,000 was provided through the Environmental Protection Agency Safe Drinking Water Act (EPA-SDWA). The EPA has identified additional funds available towards the construction and O&M support of HAMP Phase 1 in the amount of $275,534.

Therefore, this letter will serve as Amendment No. 1 to the MOA for Project PH 12-E73 to provide for increased project funding as outlined in Amendment No. 1 to the Project Summary (attached). All other provisions of the original MOA remain as approved. If you have any questions, please contact Robert Lorenz, District Engineer, Eastern Arizona District Office, at 928-537-0578.
