Hello Monty. Please see the attached materials and share with your team. These are in preparation of our meeting later today. There are four documents included:

- A slide with the preliminary summary of ESA results
- An excel file with preliminary impacted counties and species list
- A word file with the VSI references
- A slide summarizing the mitigation discussion to date

CombinedESAeff... ImpactedCountie... Analysis as of 9-... Mitigation Summary 9-25-2... VSI References 9-24-2020 (002)....

Please let me know if any of these attachments do not come through.

Thanks,
Dan
