Mark,
I don't believe there is tracking info. We're pretty sure it was USPS.
I can resend. I know you have rules about electronic (email) submittals, but I'm going to try and attach the entire package for you.
Let me know if this will suffice in the short term.

John:
Apparently your package is stuck somewhere here at 1650. Could you check with the carrier and find out when it was signed for. That way I can start making some targeted inquires.
