Subject: Speaker John Boehner Letter Concerning the USCG Cutter Storis and PCBs

All -

My counterpart in HQ Congressional, Raquel Snyder, shared the attached message regarding an incoming letter from House Speaker Boehner regarding the Coast Guard Cutter Storis and PCBs. This letter will be assigned to OSWER with the Region being copied on the letter in our Congressional Correspondence Management System.

Hi Brent,

This is just FYI-It has been assigned to OSWER. I will make sure Region IX gets cc'd.

Randy Dietz has also been given a heads up.
