BTW, I reached out to Kate to ask her help, but did not attempt to incorporate anything from kate below regarding spatial and temporal variability as there wasn't text I could easily drop in. But feel free to see if this email adds anything for you.

Hi Amy,

Ex. 5 Deliberative Process (DP)

Hope this helps. Just let me know if you'd like to work either/both of these points into the language below – I didn't want to do that you don't think it's worth highlighting.
