Subject: RE: Ag Park Monitoring Report -- DRAFT

Good morning Maryam,

EPA has no issue with the proposal to discontinue monitoring of the wells and properly abandon them.

Please let me know if you have further questions.

Thanks,

Sara

Subject: Ag Park Monitoring Report -- DRAFT

Sara, please take a look at the attached groundwater monitoring report. DTSC is recommending that the monitoring be discontinued and the wells abandoned. Please let me know if EPA agrees with this approach or if additional steps are needed. Thanks!
