Hi Sara, Patrick, and Russell,

Attached is the Riverside Agricultural Park decision letter. As ATSDR's State Coop Partner, CDPH will work with DTSC and the Riverside Ag Park Off-Site Community Work Group to address the community's concerns.

If you all think it would be helpful, I can set up a meeting with the EPA Land Division team and Russell Bartlett, the lead Health Assessor at CDPH for this project. This meeting may help clarify EPA's role and give their background for CDPH.

Gabrielle! As I mentioned in our recent call, I am extremely pleased to have the opportunity to work with you again. Russ's unique skill set and experience with PACE-EH will be an asset to this project, and we believe that this assignment is an excellent fit.

I'll set up some time to discuss the site and bring you both up to speed very soon.

Thanks!
