Hi Russ,

Pleased to make your acquaintance, and happy to have you working with us on this project. Thanks for reaching out. The dates you gave would work for me except next Friday. I will be working from home this Friday and next Wednesday, but I can have Patrick call me if we meet either of those days.

I'll let Patrick pick a day/time that works for him, as he is the lead for the evaluation of the neighborhood surrounding the Ag Park, whereas I'm the lead for the cleanup of the site itself.

Best regards,

Sara

Hi Sara and Patrick,

It's good to virtually meet the both of you. As you likely know I work in the East Bay (in Richmond) near your San Francisco office. It would be great to set up a time soon to sit and chat with you both about your work and thoughts on Riverside Ag Park. I'm willing to make the short trip to your Region 9 office. In the next two weeks, I'm free this Thursday and Friday and next Monday, Wednesday and Friday. Afterwards I can make time most days except for Tuesdays.
Best,
Russ

Hi Sara, Patrick, and Russell,

Attached is the Riverside Agricultural Park decision letter. As ATSDR's State Coop Partner, CDPH will work with DTSC and the Riverside Ag Park Off-Site Community Work Group to address the community's concerns.

If you all think it would be helpful, I can set up a meeting with the EPA Land Division team and Russell Bartlett, the lead Health Assessor at CDPH for this project. This meeting may help clarify EPA's role and give their background for CDPH.

Gabrielle! As I mentioned in our recent call, I am extremely pleased to have the opportunity to work with you again. Russ's unique skill set and experience with PACE-EH will be an asset to this project, and we believe that this assignment is an excellent fit.

I'll set up some time to discuss the site and bring you both up to speed very soon.

Thanks!
