Angie – Hope all is well? We are officially back in the office (at least part of the time) and I am going thru stacks of mail and noticed that SIGECO may be still sending us hard copies. EPA is now officially paperless and we are asking everyone to please only send electronic copies, if possible.

Thanks,

Mr. Chatfield,

Please find attached a copy of the test date notification for the Southern Indiana Gas and Electric Company (SIGECO) H_2SO_4 test for F.B. Culley. A signed original is being sent via certified mail.

Sincerely,

CenterPoint. Energy
