Subject: FW: Petition to Revoke Tolerances for Neonicotinoid Insecticides
Attachments: FINAL NRDC Tolerance Petition and Dietary Comments.pdf; NRDC Petition Supplement and Fee Waiver Request.pdf

See attached. Since this appears to be an FFDCA petition, it likely needs to be published in the FR. We'll also have to work the fee waiver request.

Subject: Petition to Revoke Tolerances for Neonicotinoid Insecticides

Mr. Keigwin and Ms. Vogel,

Please find attached the Natural Resources Defense Council's petition to revoke all tolerances for neonicotinoid insecticides, pursuant to the Food, Drug, and Cosmetic Act, 21 U.S.C. § 346a(d)(1)(A). Also attached is a supplemental letter containing NRDC's request for a waiver of all fees associated with this petition. NRDC's petition was originally submitted to the following registration review dockets: Imidacloprid (EPA-HQ-OPP-2008-0844), Thiamethoxam (EPA-HQ-OPP-2011-0581), Clothianidin (EPA-HQ-OPP-2011-0865), Acetamiprid (EPA-HQ-OPP-2012-0329), and Dinotefuran (EPA-HQ-OPP2011-0920). A copy of each document has also been sent, via certified mail, to the Office of Pesticide Programs (7510P), 1200 Pennsylvania Ave. NW., Washington, DC 20460–0001. Please contact me with any questions or concerns regarding NRDC's petition or fee waiver request. NRDC looks forward to your response to its petition.

Regards,

LUCAS RHOADS
Staff Attorney, Wildlife
Nature Program
