**Subject:** RE: Preliminary discussions about Super Salvage Information request

I was going to schedule a larger meeting next week after people had a little more time to review the Information Request (IR). But in the interim, I wanted to have a smaller call with the attorneys and Allison Graham regarding the IR Water responses and Allison's September 25th inspection report. If you think everybody is ready for a full meeting tomorrow, I'll reschedule it now.

Rich,

Two quick questions--
Do you have a call in number? (I will be working from home)
Have you thought about include Jerry/Justin? I know Jerry has reviewed the information request and may have some ideas.

Thanks, Dan
