Subject:	Priority Closing 65-SD-16, a 28-year-old female inhaled “fumes from bleach products - hospitalized >3 days
Date:	Monday, September 19, 2016 1:00:35 PM
Attachments:	Signed Priority Closing 65-SD-16.pdf

Hello all,

Please see the attachment, the Priority Closing for 65-SD-16 for your review. A 28 year-old female that had sought medical attention after mixing ajax and bleach (EPA Reg. No. unknown) to remove an odor from the bathroom of her residence and was hospitalized for three days. Please contact me if you have any questions.

Thank you,

Kamrul H. Bhuiyan
