Cover page:

Document completed by EPA based on work performed by Woodward by Curran, on behalf on PPG Industries (formal name)

Technical Review and Oversight for EPA performed by Louis Berger US, Inc, a WSP Company

Exec Summary: 1st paragraph:

This report presents the results of the Feasibility Study (FS) conducted at the Riverside Industrial Park Superfund Site (the Site) located in Newark, Essex County, New Jersey. The FS was completed by EPA based on work performed by Woodward and Curran, on behalf of PPG Industries (PPG), with technical review and oversight for EPA performed by Louis Berger US, Inc., a WSP Company.. The FS is subject to approval by U.S. Environmental Protection Agency (USEPA).

Also revise first sentence in Section 1, Page 1-1.
