026690-00001	1	Consumer writes that he applied 6 Max Attrax roach Baits to kitchen baseboards. Within an hour his wife, who had COPD, had a slight raspy cough and was clearing her throat. Symptoms increased next day and kept her from sleeping well that night. By next morning seh was gasping for breath. Inhaler and OTC medicines didn't help. He removed the bait, opened doors and windows, set up a fan to pull in outside air. Within 30 minutes her breathing was almost normal. Next day raspy cough & throat clearing had gone away.
