Yes – please go ahead and schedule as this would be a higher priority for her than the HABs meeting.
Thanks for working this out

Hi Sarah: I believe Darcy is on leave today but she did review the three consultation letters going out today.

It looks like the hour below overlaps with a HABS webinar on her schedule. Should I go ahead and reschedule this briefing anyway? It appears this time works better for Jennifer than Friday.

Thanks,

Douglas

Thanks Joe: if Jennifer can do February 20th from 10:30 to 11:30 am EST next week that would be great. I am double checking to make sure Darcy is back from leave by then.

Please confirm for Jennifer and I will update the invite in Outlook once I confirm Darcy's availability.

Douglas – Turns out Jennifer will not be on travel status for July 20. Can you do 10:30 eastern for this meeting? Would half hour suffice or do you need an hour? Let me know. We have some scheduling flexibility for that day until 2:00pm eastern.

Thanks!

Douglas,

Good to hear from you and I hope all is well. That time on Monday would not work for Jennifer. Can you suggest a few options? That week is quite busy with policy fly-ins, and Jennifer on leave Thursday and Friday. I can try and fit something in on Tuesday the 25th, 10:00am, 11:00am, or 3:00pm eastern time. I'd have to move things around to make it happen. The week of March 1 looks more promising.

Let me know,

Thanks!

Joe

Greetings Joe: I am working with Bill to try and find an hour on Jennifer M's schedule for a joint briefing to include our Water Division Director. Since I don't have access to Jennifer's schedule, could you or someone on her staff confirm whether she is available from 11 am to 12 noon EST on Monday, February 24th? The briefing is related to the Dewey Burdock uranium ISR project for which we expect to issue final UIC permits later this year.

Thanks,
