Melanie and Danny,

Valois, Jean, and I met this afternoon and we're agreed in concept regarding the final draft EJ analysis. Valois will be making additional edits tomorrow (Friday) and will forward an updated draft to Sarah and others and will cc both of you. (Valois has provided this status update to Sarah).

Melanie,

FYI. We'll respond to Sarah's request for a status update after Valois, Jean, and I meet this afternoon to reconcile remaining comments/edits on the EJ analysis. Will cc you on that response.

Hi all – I completed my review f the EJ analysis and didn't have any substantive comments. I did respond to a couple of questions in comment bubbles in the attached version with my perspective.

Given we have a hard **deadline of 8/26** for signature of the revised draft permits, we need to get the updated **EJ analysis to Darcy by Monday 8/12** for her review next week. I know the EJ team is still determining their findings and conclusions (at least as of this version from Kimi). Please let me know what the status of that effort is and when this document will be complete.

Thanks,
Sarah
