Hey Valois – I'm concerned that now there isn't enough information to provide Shaun. Maybe a happier medium b/t slides and bare bones?

Hi Sadie,

Attached is the briefing document updated in preparation for Shaun's briefing. I included talking points for our discussion today that we can remove to make the final document shorter.

I also included a separate document with the talking points and background info for the Tribal consultation topics.

I am free until 2:30 today and after 3:15. Please let me know when you would like to get together.

Thanks!
Valois
