Hi Ms. Novak,
I just confirmed that we will need an address other than a P.O Box to send your documents via certified mail. Someone will need to sign for the package. Please provide another address, so that we may ensure delivery of your responsive records. If you have questions, please contact me via phone at 703-305-5301 or via e-mail at Richardson.lashonia@epa.gov

Thank You
LaShonia Richardson

Hi Ms. Novak,
In the above mentioned request, you have requested various forms of information that include studies. It is Agency protocol that we send studies via certified mail intended for the requester only. Please verify that the following address is correct and indeed the location where you wish to receive your requested records via certified mail. I will wait to hear from you.
