Erin, Kimi and Mike,

Following up on the email chain below from earlier in the summer, could you please review the draft responses to comments flagged below? These are the draft responses that overlap with NEPA, EJ / sacred sites / ESA, and NHPA issues that you're working on. Please let me know if you have any questions. Thanks!

NEPA. Erin, could you look at response 235? There's one mention of NEPA that I'd like to get your help with.

EJ / sacred sites / ESA. Kimi, could you please look at responses 225, 227, 231, 232, 233, and 235?

Ex. 5 AC/AWP/DP

of these aren't applicable, but note that we've done related work under our NHPA obligations, and refer to those responses. Let me know what you think.
