Good morning, Ricky and Nidal.

Attached are the updated slides requested by EPA. The original slide provided a comparison of the PSH plumes at the site based on data from 2000 and 2015. The updated slides are provided in two formats:

1. "PSH Plume – Key Dates Compared to 2000" includes the original slide (2000 vs. 2015) and includes two new slides with comparisons of 2000 vs. 2018 and 2000 vs. 2021.
2. "PSH Plume – Key Dates" includes three slides: 2000 vs. 2015, 2015 vs. 2018, and 2018 vs. 2021.

Both files include notes on the key dates (HOVENSA bankruptcy filing, sale to Limetree Bay Terminals, formation of Limetree Bay Refining (LBR), and LBR bankruptcy filing).

Please let me know if you would like any changes to the attached.

Regards,
Carey Guilbeau
