THE OLD CAR COLUMN

Ed, I may have found your dream car

In last week's column, I brought you some comments I received in an e-mail from Ed Weidenhamer, a former neighbor. He asked if I would write a story about the 1939-41 Ford roadsters. Today's article is in response to Ed's request.

While this beauty (Wally Overstreet calls it "the best 40 ford roadster in the world") was originally equipped with Ford's renown flat head V-8, producing 85 horsepower, "Ol' Wino," as this one is nicknamed after it's "Vinyard Burgundy" paint job, has an old-school 327 cubic inch Chevy small blocked tucked under the bonnet, with three 2-barrel carbs perched atop a Edelbrock high-rise manifold. Nick Overstreet tells me it's set up for "maximum fuel delivery." I don't know what kind of horsepower it puts out, but I'll bet it's way above the 85 the original mill cranked (good thing fuel prices are lower than they've been in a long time)!

Deluxe hub caps and wheel trim rings were an option in 1940, but this little chunk of heaven comes with Cadillac Sombrero caps (a style coveted by custom car aficionados) included at the low, low asking price of just $139,900! But wait there's more! Connected to that 327 is a 350 Turbo-Hydramatic transmission and a 10-bolt Chevy rear end. No detail was overlooked in this stunning vehicle that has been featured in Street Rodder Magazine, Hot Rod and more.

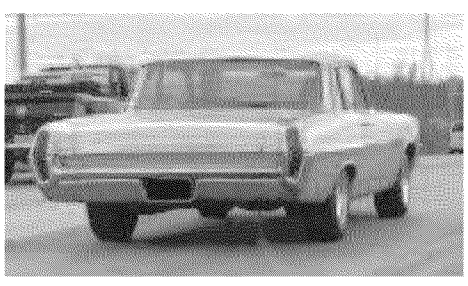
If that's not enough, the car was pin stripped inside and out by none other than the notorious Von Dutch and includes a dated and signed shift ball (see more photos on my website at thefinman.com).

Buy it today and Wally will throw in a burned-out 1971 Ford Pinto to go with it (shipping and handling not included)!

Upcoming events

Just around the bend is the first annual **Illinois Gateway Gas & Advertising Show**, which is Feb. 17-19, at the Doubletree Hotel & Conference Center, in Collinsville. This promises a treasure trove of collectible petroliana and advertising—a collector's dream! Contact Donna Weir at 217-821-7288 for details and please tell her you heard about it from The FIN MAN.

Then, a FIN MAN favorite, the 24th annual **IT'S A GAS! swap meet**, which is from 8 a.m. to noon Feb. 20, at the Cowan Civic Center, in Lebanon, Mo. For details, contact Mike or Nancy Russell at 573-864-1336 or e-mail at n.russell@mac.com. Again, please let the Russells know you heard about it here. The FIN MAN and Co. plan to attend both events—look for us there.



Let's play FINS For FUN! This cool-looking mystery car was spotted recently cruising down Interstate 55-70 in Madison, Ill. Can you name the year, make and model of this coupe? Experts in the marque may even be able to name the color. Answers will appear in next week's Old Car Column featuring this model. And, if you happen to be the owner of this fine ride, please e-mail me at the_fin_man@msn.com so I can fill in some details for the story.

And finally, 2016 promises to be an exciting year for OCC fans who join me for **Breakfasts With the FIN MAN**. I already mentioned in last week's column retired prop man Dick Benach will be joining us (at a place and time to be announced) and will bring some nostalgic props and an old car to the event. I am also working with Chuck-A-Burger owner Ron Stille to hold a "Lunch With the FIN MAN" (at 2 p.m. on a Friday), followed by a tour of Overstreet's House of Cars. I plan to have other special guests and features at these breakfasts as the season goes on, so stay tuned right here for details.

Thanks for reading the Old Car Column and **Keep on Cruisin'!**
