AG for Water Quality Unit – water reuse. (720) 508-6285. Monday 10/7/19 – hearing scheduled on water reuse revisions.	Water Reuse Topic: From Carrie Noteboom: *The Water Quality Control Division within CDPHE current regulates the use of reclaimed water under its Regulation 84. *The statutory authority for the regulations is cited in section 84.1. *Oct. 7, 2019 rulemaking hearing to consider updates to Regulation 84. Revisions will be published soon once the WQCC takes final action on the proposed changes. *Matthew Miller would be a good contact if you have questions about Reg 84 – matthew.miller@coag.gov Produced water is likely to come under the jurisdiction of the Colorado Oil and Gas Conservation Commission, which is represented by a different unit within the AG's office.

		Jeff Fugate, First Assistant Attorney General for the Resources Conservation Unit, would be able to point you to the right person for produced water questions. Jeff.Fugate@coag.gov.
