Thanks Michele. It's nice to see a familiar name from HQ! All is well with me. Hope the same for you and yours.

Tricia/Tod – is someone identified to help with this one?

Kimi – have you been working with Tod on this?

I took a quick look at the EJ section and made some edits and comments. It appears my edits are the same color as all others, so I added comment bubbles as well where I made the edits. Thanks for the opportunity to review. Let me know if you have any questions. I would like to see this again once OEJ has provided their edits. Can you share my edits with your EJ contact? Thanks

Tom – who is reviewing these documents for the tribal-specific information?

Quick shout out to Brian J – nice to work with you again. :)
