Thanks Omar!
Will take a look at this information and at some point, we can talk about our response to the State's comment.

Thanks, Kimi

Omar: I think we should still hold our meeting with USFWS tomorrow and cover our agenda topics. We can circle back to them if needed after we talk further with Powertech.

Douglas:

You/Valois sent me an email stating that Powertech requested a meeting this week to discuss ESA species. Do you think we need to move our USFWS meeting for next week?

Douglas: The USFWS do not use Skype. The told me to use Microsoft Teams Meeting (which is similar to Skype).
Do you agree with using Microsoft Teams Meeting or do you want to provide me with a conference number?

I added the link for the connection in the agenda and in the invitation (see attached Agenda). Let me know your preference.
