Subject: CERCLA /EPCRA dABP

Hi Lynn,

SCOUT and the schedule for the detailed ABP being finalized (meaning AA approval of a concurred upon version) by 5/17. We are suppose to give the WG and RSC 10 working days for review and provide concurrence on the blueprint and then revise and get AA approval...so we're already too late to meet the 5/17 date.

Do you know when we can expect a copy to distribute and a new date for completion?
Thanks

Richard Mattick
