Attached is the detailed analytic blueprint for the CERCLA/ECPRA Reporting Requirements for Air Releases of Hazardous Substances from Animal Waste at Farms NPRM (Tier 2, SAN 5484). Please provided your AA/RA-level concurrence to me (cc Lynn Beasley and Richard Mattick) by no later than 5/25 (sooner would be great!). For the detailed analytic blueprint stage, only two levels of concurrences are possible: concur or concur with comment. Attached also are: (1) a list of people who have been delegated to concur for the AA/RA on detailed analytic blueprint; (2) workgroup list; and (3) a redlined/strikeout version of latest changes.

Let me know if you have any questions or concerns. Thanks.
