Subject: R8 Hot Issues - Dewey Burdock UIC Permitting has been reassigned

Dewey Burdock UIC Permitting has been reassigned

Jenkins, Laura Flynn
2/28/2017 11:25 AM

Title Dewey Burdock UIC Permitting

Lead ARAship OWP

Assigned To: O'Connor, Darcy; Garcia, Bert

Brief Description The region expects to issue first in the nation EPA permits for uranium in situ recovery. EPA expects significant opposition from tribes and other stakeholders. Permits and associated aquifer exemptions will be public noticed in early March 2017 with hearings scheduled in late April/early May.
