Hello Chairman Trudell,

I just heard back from the last EPA person who is going to attend our consultation meeting. Wednesday, November 20 works best for everyone involved on the EPA side. We can be at your office by 2:00 pm on Wednesday.

I will send a draft proposed agenda for you to review and edit to make sure we discuss all the topics you would like to cover during our meeting.

Thanks very much for making time to meet with us!

Valois

The mentioned dates look like they would work. Either day would be ok.

Chairman Trudell,

The EPA would like to schedule a consultation meeting with you at your office to discuss the proposed EPA actions at the Dewey-Burdock uranium site near Edgemont, South Dakota.

Would a meeting on the afternoon of Wednesday, November 20 or the morning of Thursday, November 21 work for you? I have checked flight schedules and we can arrive in Niobrara by 2:00 pm on Wednesday, November 20 or any time Thursday morning.

If these times or dates do not work for you, please suggest other dates and times and I will check the schedules of the EPA attendees and get back to you.

Thank you!

Valois
