Hi Bruce,
I looked over the workplan and it doesn't look like Cadmus addressed any of our comments. I have attached the Work Plan with comments from Rick and me, which you sent to Nancy on Dec 18.

The Work Plan refers to only 20 references, so I am concerned that some of the references we sent to Cadmus got lost. I have attached the list of references the EPA sent to Cadmus.

I am still working on finishing up our end of year reporting requirements which are due tomorrow. I will get to work on the work plan review at soon as I finish that up.

Thanks!

Valois

Valois, for your review. Still about half of the P4 hours remain, but contract amount is down around $100K. Let me know your thoughts. If you concur, please fill in the work plan review. Thx.

Bruce
