Chrmn Frazier - Treaty Rights - tribes still own mineral rights
only surface was taken. Supreme Court supported tribes 1980 decision
article 15? white man must get consent to tresspass
Elizabeth Warren - S River?
Summit of Big Horn Mtns to -- Treaty Boundaries
sharks? [Water 1st medicine] pray over it
How do you sell your religion. How
SV - protect land & resources
protected under treaty. Never any relinquishing
Where was EPA for Dakota Access Pipeline?
to protect
consensus - the traditional way

a. Discuss information provided in the June 19, 2017 letters.

b. Provide additional information/concerns. 4800 gpm & 75 gpm

V. Environmental Justice Analysis

hypothetical connection between the other aquifers misinterpreted

VI. Tribal Concerns

we are destroying something sacred w/ hypothetical - water a person
murdering mother Earth

VII. Next Steps

NRC ASLB 3 days of public comment - Judges said adjourned after
3 days Mr. Un the Woods didn't get to comment

DD - What's the reward for the tribe? When it makes a mess they get to walk away
We are destroying our environment - that's not who we are as a people
